## EMVITA 13 (50ML)

**Emvita 13 (Deeply Injured and Withdrawn)** Emotional issues addressed: You have been deeply hurt or betrayed, so withdraw and build up walls to protect yourself. You have the tendency to distance yourself from others and may feel indifferent or misunderstood. You focus on tasks, family or work rather than emotions. You don't feel like you can cope with another disappointment. You lack faith and trust in yourself and/or in others.

This conflict can be due to abandonment, rejection, death, divorce, grief, or betrayal. A broken trust or heartbreak has led to a deep sense of betrayal and lack of faith in overcoming the hurt, with fear that it could happen again.

**Guidance:** You need to trust that not everyone is out to hurt you and that your interpretation may be filtered through personal context. Learn to open up emotionally, make your peace and re-establish contacts with others.

*Positive Affirmation: I live life confidently, with trust and an open mind.*
