Work Out Support – Orange Flavour

Selenium (selenomethionine)

25 mcg

Non-Medicinal Ingredients: Fructose, malic acid, natural orange flavour, silicon dioxide, annatto extract, rebaudioside A (*Stevia rebaudiana*), and natural tangerine flavour.

Recommended Use: Workout support. Aids in the muscle recovery process by reducing muscle tissue damage associated with a resistance training regimen. Helps support fat metabolism.

Recommended Dose: Adults: Blend, shake, or briskly stir 1 level scoop (16 grams) of MitoVive with 177 ml (6 fl oz) of chilled water daily or as directed by your healthcare practitioner. Take a few hours before or after taking other medications. For muscle recovery, take 2-4 hours prior to exercise.

Caution: Do not use if you are pregnant or breastfeeding. If you have liver or kidney disease, or a seizure disorder, consult a healthcare practitioner prior to use. Consult a healthcare practitioner for use beyond 6 months.

This product is non-GMO, gluten free, and vegetarian.

Contents sold by weight, not volume. Some settling may occur during shipping and handling. Shake container well before each use. Do not use if safety seal is missing.
