

PSORICARE HERBAL CREAM 60ML

PsoriaCare is a deep moisturizing, anti-inflammatory, antiseptic, anti-microbial, anti-itch, anti-irritant and anti-oxidant herbal cream. It helps to treat and heal minor skin wounds, cuts, burns and bruises.

Benefits: helps heal the skin, reduce symptoms such as redness, itching, burning, oozing and crusting of blisters, scaling or thickened skin, and prevents skin damage and flares. It softens the skin and provides a cooling and soothing effect on the skin.

Recommended Dose: Topical as needed.

Herbal Ingredients:

St. John's wort, Colloidal Oatmeal, Aloe Vera, Calendula, Chamomile, Gotukola, Burdock, Coconut, Myrrh Gum, Neem, Glycerin, Cetearyl Alcohol, Ascorbyl Palmitate, Emulsifying wax, Turmeric, Vitamin-E, Tea Tree EO, Rosemary EO, Eucalyptus EO, Pot. sorbate and Biovert enzyme.

Non-Medicinal Ingredients:
