## CHAVITA 3 (50ML)

**Chavita 3** is the remedy for the third chakra or the solar plexus. This chakra is situated in the upper abdomen, is associated with the pancreas and regulates the autonomic functions related to digestion. The energetic function represents processing feelings and events that one has to digest (both physically and emotionally): absorption (taking in), assimilation (processing) and excretion (letting go).

**Recommended Dose:** Take 12 drops two times a day or as directed by a health care practitioner
