

# PRODUCT INFORMATION

## Detoxification

### CLEAR CHANGE DAILY ESSENTIALS

#### Ingredients:

AdvaClear  
GlutaClear  
KD Plus

#### Provides antioxidants and factors for good health

**Serving size:** 1 Packet

**Servings Per Container:** 30

#### Non-Medicinal Ingredients:

- **AdvaClear:** Hypromellose, cellulose, sodium sulfate, magnesium stearate (veg), and silicon dioxide.
- **GlutaClear:** Cellulose, stearic acid (veg), silicon dioxide, and coating (hypromellose, hydroxypropylcellulose, and medium-chain triglycerides).
- **KD Plus:** Hypromellose, cellulose, and magnesium stearate (veg).

**Recommended Dose:** Adults take 1 packet (2 AdvaClear, 1 GlutaClear, 1 KD Plus) daily with meals providing protein or as directed by your healthcare practitioner. Take a few hours before or after taking other medications.

**Recommended Use:** To provide antioxidants and factors for the maintenance of good health. N-Acetylcysteine is a potent antioxidant for the maintenance of good health in individuals under oxidative stress.

**Caution:** For adult use only. Do not use if you have a bile duct obstruction, are pregnant or breastfeeding, have a bleeding disorder, or are allergic to plants of the Asteraceae/Compositae/Daisy family. Do not use if you are taking anticoagulants, nitroglycerin, or antibiotics. Consult a healthcare practitioner if you have gallstones, kidney stones, an iron deficiency, cystinuria, liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine or jaundice), a lung disorder, or if symptoms persist or worsen. Consult a healthcare practitioner, if taking blood thinners, immunosuppressive medications, or for use beyond 3 months. People sensitive to nicotinic acid may experience flushing of the skin that is generally mild and transient. Hypersensitivity (e.g. allergy) has been known to occur; in which case, discontinue use.

**Products included are non-GMO and gluten-free.**
