

ADVACLEAR 42 CAPSULES

Advaclear Supports daily detoxification for optimal vitality and health. This formula provides methylated B₁₂ and folate along with bifunctional nutritional support designed to enhance the activities of several liver detoxification enzymes and support Phase I and Phase II detoxification pathways.

Recommended Use: Milk Thistle is traditionally used in Herbal Medicine as a hepatoprotectant.

Recommended Dose: Adults take one capsule 3 times daily with meals or as directed by your healthcare practitioner. Take a few hours before or after taking other medications. Use for a minimum of 3 weeks to see beneficial effects.
