NATUREDOC ENERPELVA 50ML

NatureDoc Enerpelva for relief of painful menstruation and pelvic circulation.

Sensations of dysmenorrhea appear in many women without any recognizable cause (primary dysmenorrhea), while organic or functionally caused forms also exist. Enerpelva homeopathic drops provide a gentle therapy for painful menstruation, breast swelling, danger of prolapsed, fluor and other symptoms.

Recommended Dosage: Adults 15-20 drops 2X per day directly or in water.
