You desire to have things (i.e. property, jewelry, knowledge, spiritual values, good deeds, successful career) and like the status that come with it. It may be hard to give away your things. There may be a fear of major change, with comfort in things staying the same.

This conflict can be due to forced religion, blind obedience, withheld information and lies . Due to life circumstances , there is a feeling of constant battle, life is a struggle, always have to fight for survival or nothing comes easily (i.e struggling through very hard times or war periods in life) and the attitude of "I believe in what I see" develops. A focus on possessions means missing out on the essence of life.
