

## PRODUCT INFORMATION

# Vitamins and Minerals

## D3 LIQUID

**D3 Liquid** features 1000 IU of vitamin D3 — the most bioactive form of supplemental vitamin D.

- Supports bone, cardiovascular, immune, and neurological health
- Provides vitamin D3 solubilized in oil to support absorption in the intestinal tract
- Designed for easy, flexible dosing
- Features a pleasant, natural mint flavor for improved patient compliance
- Ideal for kids and those who prefer not to swallow tablets or capsules

**Recommended Dose:** Adults and children take 1 drop (0.026 mL) daily or as directed by your healthcare practitioner.

**Recommended Use:** Helps in the development and maintenance of bones and teeth. Helps in the absorption and use of calcium and phosphorus. Calcium intake when combined with sufficient Vitamin D, a healthy diet and regular exercise may reduce the risk of developing osteoporosis. Helps to prevent Vitamin D deficiency.

**Caution:** If pregnant or nursing, taking other nutritional supplements or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children. It is highly recommended that serum 25(OH)- and 1,25(OH)<sub>2</sub>-vitamin D be monitored every 60-90 days while consuming this product to ensure that levels remain in an acceptable range.

**Ingredients:** ONE DROP CONTAINS: Vitamin D3 (as cholecalciferol) 1000 IU (250 % DV) 25mcg  
**Other Ingredients:** Medium chain triglycerides, peppermint oil, spearmint oil, rosemary (antioxidant), and ascorbic acid.
