EMVITA 1 (50ML)

Emvita 1 (Low Self-Esteem) Emotional issues addressed: You experience feelings of not being good enough, worthlessness, inferiority, or low self-esteem. You lack confidence and may have identity issues. You feel that you do not have the inner strength to deal with the burdens in life. You may be exploited or feel like a victim. You feel you have to struggle more than others, yet still are not good enough.

This conflict can be due to early childhood trauma caused by divorce, death of a parent, neglect, being an undesired child, in utero or birthing trauma, abandonment, physical or mental abuse, injury to coccyx, or not feeling safe, secure or loved.

Guidance: Acknowledge your own potential and strength

Positive Affirmation: I have the strength, talents and skills to confidently fulfill and enjoy my tasks in life.
