EMVITA 28 (50ML)

Emvita 28 (Strong Beliefs)- Emotional issues addressed: You have deep convictions and deep beliefs that you hold very close to your heart. You feel certain rules and order are necessary when dealing with life (family, religion, work, the world). At times, you are unwilling to deviate from your opinion, even if there are disadvantage and limitations. Your standards or ideals may be too fixed or set too high, which leads to frustration when things are not accomplished or others do not live up to your expectations.

This conflict can be due to forced religion, blind obedience, withheld information and lies. One may have been told how the world has to function and how they are to function within it. They are often locked in a belief pattern that no longer applies, are rigid people and may have arthritic symptoms. The earlier the deep convictions are placed, the harder it is to get rid of them. Their convictions or beliefs may not be realistic and they do not listen to their inner voice.
