

PRODUCT INFORMATION

Skin Health

NEEM SEED OIL

Neem Seed Oil is anti-bacterial, anti-viral, anti-septic, anti-diabetic, anti-fungal, blood-purifying and finally, spermicidal- thus being a fantastic skin care ingredient! **Neem** relieves dry skin, it soothes itchiness, redness and irritation, it improves general skin health and immunity, combating bacterial infections, as in acne, boils and ulcers.

Heat in a warm water bath to liquefy. May be used full strength, or in combination with other vegetable oils.

Ingredients:

Neem Seed Oil
