### EMVITA 25 (50ML)

**Emvita 25 (Distrust)**- Emotional issues addressed: You appear optimistic on the outside, but have a deep underlying feeling that things are not going to work out. You are skeptical and do not trust others easily. You want proof before you will believe, you question everything. Past disappointments have left you hurt and opening up emotionally or asking for help makes you feel vulnerable. You are more comfortable figuring things out on your own. You do not trust your inner voice or intuition.

This conflict can be due to forced religion, blind obedience, withheld information and lies. There is fear to open oneself up or ask for help from others, due to possibly being manipulated, stolen from, taken advantage of or harmed. Past experiences may reinforce this fear. There is a resistance to listen to one's inner voice and trust the overall plan in life.
